THE HONDO ANVIL HERALD.

Published Weekly--Every Saturday Morning.

FLETCHER DAVIS,
Editor and Proprietor.

MRS. ROBERTA DAVIS,
Assistant Editor.

OFFICE: ANVIL HERALD BUILDING, HALF A BLOCK SOUTH OF DEPOT.

For the Commercial, Agricultural and Industrial development of Medina County and Hondo. An Independent local newspaper.

SUBSCRIPTION: \$1.00 A YEAR. ADVERTISING RATES REASONABLE.

Entered at the Postoffice at Hondo, Texas, as second-class mail matter.

SATURDAY, DECEMBER 10, 1910.

You will confer a double favor by telling our advertisers that you saw their advertisement in this paper.

MAJOR Mose Harris to his fellow Republican sufferers: "Cheer up boys; the postoffices are still ours!"—Hondo Anvil Herald. And "ours" they will remain, if not until "the last syllable of recorded time," at least until some more patriotic, creditable and trustworthy political organization than the existing Democratic party shall be born, to wrest control of the Government from the hands of the G. O. R. P.—The Texas Republic. The Major ought to take something for that bad taste; really he ought!

A PROMINENT citizen from the West end of the County told us this week that he considered Bandera a better market for farm and ranch products than Hondo and Sabinal, but that it is almost impossible for people from his section of country to haul a heavy load of wool, cotton, etc., to Bandera owing to the condition of the roads—Bandera Enterprise. We believe your prominent citizen was talking merely to make a noise, but of course we don't know. If it is so, we are sorry; and we reproduce the foregoing so that our produce buyers may be put on their guard, buck up and prove, in a practical way, that it is not so. A reputation like that going abroad can do our town incalculable harm, and should be disproven by practical demonstrations. Hot air don't count.

CHRISTIANITY is that ideal of faith, hope and conduct taught and exemplified by Christ in his earthly existence. Whoever seeks to attain to this ideal, as interpreted to him by his church or his individual consciousness, as the case may be, is a Christian. Naturally, there is a wide divergence in the interpretation of the Christian ideal. Naturally all make mistakes. Naturally all sometimes fail. Naturally none ever arrive at the full stature of a perfect ideal. Therefore, Christians should be the most liberal and tolerant people in the world. And it would be pessimistic in the extreme to say that the world has not advanced along this line. But when one reads that a representative body of men calling themselves Christians solemnly resolve that it is their judgment that any man or newspaper that opposes State-wide prohibition on any pretext whatever [his conscientious convictions not excepted] is an enemy to Christianity, one is forced to the conclusion that there is still room for improvement along this line; that, regretfully as it must be said, that spirit of intolerance that drove Roger Williams into the pathless wilderness for his conscience sake is too militant in some of his present day followers. Of course, we should not judge our brethren lest we ourselves be judged; but if by the measure by which they have meted to others it is measured back to them one must conclude that they—in their intolerance and holier-than-thou Phariseism—are the greater enemy to Christianity. And well may all true Christians repeat a bleeding Savior's prayer: "Father, forgive them; they know not what they do!"

As To A Bargain Day.

THE bargain day proposition, as already outlined in this paper, has called out comments from several of our exchanges some of which we reproduce here:

After copying our article the Pearsall News comments as follows:—

The merchants of Pearsall should take notice of the above plan, and plan out a regular sales day every month, and draw trade to town, that rightly belongs to the merchants here, but is going to other towns, whose merchants offer them better inducements.

The Bandera Enterprise says: Bandera had a Trades Day not a great while ago, which was conducted on a plan similar to the above, and met with a considerable degree of success. We hope to have another and more successful one soon.

And the Lytle Herald follows with this: A special sales day would be a good thing for Hondo, for Moore and for Lytle. There is no sense in letting trade drift by our town and to other places. The business men should get together and offer the farmers some inducement.

If we expect to make a success of the next trades day, the last Saturday in December, we must get busy. The time is short and there is no time to lose.

THE Anvil Herald is sold at a dollar a year. If you want to encourage a paper that never sits on the fence while the procession goes by, hand or send us a dollar and get into our bandwagon.

Take Care!

Remember that when your kidneys are affected, your life is in danger. M. Mayer, Rochester, N. Y. says: "My trouble started with a sharp shooting pain over my back which grew worse daily. I felt sluggish and tired, my kidney action was irregular and infrequent. I started using Foley Kidney Pills. Each dose seemed to put new life and strength into me, and now I am completely cured and feel better and stronger than for years. W. H. Windrow.

What Ails You?

Do you feel weak, tired, despondent, have frequent head-
aches, coated tongue, bitter or bad taste in morning,
"heart-burn," belching of gas, acid risings in throat after
eating, stomach gnaw or burn, foul breath, dizzy spells,
poor or variable appetite, nausea at times and kindred
symptoms?

If you have any considerable number of the
above symptoms you are suffering from bilious-
ness, torpid liver with indigestion, or dyspepsia.
Dr. Pierce's Golden Medical Discovery is made
up of the most valuable medicinal principles
known to medical science for the permanent
cure of such abnormal conditions. It is a most
efficient liver invigorator, stomach tonic, bowel
regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum,
a full list of its ingredients being printed on its bottle-wrapper and attested
under oath. A glance at these will show that it contains no alcohol, or harm-
ful habit-forming drugs. It is a fluid extract made with pure, triple-refined
glycerine, of proper strength, from the roots of native American medical,
forest plants. World's Dispensary Medical Association, Props., Buffalo, N. Y.

Hair Health.

If You Have Scalp or Hair
Trouble, Take Advantage
of This Offer.

We could not afford to so strongly
endorse Rexall "93" Hair Tonic and
continue to sell it as we do, if it did
not do all we claim it will. Should our
enthusiasm carry us away, and Rexall
"93" Hair Tonic not give entire satis-
faction to the users, they would lose
faith in us and our statements, and
in consequence our business prestige
would suffer.

We assure you that if your hair is
beginning to unnaturally fall out or if
you have any scalp trouble, Rexall
"93" Hair Tonic will promptly erad-
icate dandruff, stimulate hair growth
and prevent premature baldness.

Our faith in Rexall "93" Hair Tonic
is so strong that we ask you to try it
on our positive guarantee that your
money will be cheerfully refunded if it
does not do as we claim. Two sizes, 50c.
and \$1.00. Sold only at our store—The
Rexall Store. F. H. Falkenberg.

hobby, that he wastes a lot of time on!

The Doctor's Question.

Much Sickness Due to Bowel
Disorders.

A doctor's first question when con-
sulted by a patient is, "Are your bow-
els regular?" He knows that 98 per
cent of illness is attended with inac-
tive bowels and torpid liver, and that
this condition must be removed gently
and thoroughly before health can be
restored.

Rexall Orderlies are a positive, plea-
sant and safe remedy for constipation
and bowel disorders in general. We
are so certain of their great curative
value that we promise to return the
purchaser's money in every case when
they fail to produce entire satisfaction.

Rexall Orderlies are eaten like can-
dy they act quietly, and have a soothe-
ing, strengthening, healing influence
on the entire intestinal tract. They
do not purge, gripe, cause nausea flat-
ulence, excessive looseness, diarrhoea
or other annoying effect. They are es-
pecially good for children, weak per-
sons or old folks. Two sizes, 25c. and
10c. Sold only at our store—The Rex-
all Store. F. H. Falkenberg.

Practice does not always make per-
fect, but it does make some lawyers
and doctors wealthy!

Bad taste in the mouth is removed
with a dose of Herbine. It sweetens
the stomach and purifies the liver and
bowels. Price 50c. Sold by W. H.

District Attorney's Combine.

After wiring his resignation as Dis-
trict Attorney of the Thirty-eighth Ju-
dicial District to Governor Campbell
yesterday morning, C. C. Harris, who
two weeks ago changed his residence
from Hondo to San Antonio, announced
that he had formed a law partnership
with W. C. Linden and John R. Storms,
of this city.

"District Court will open at Rock
Springs, Edwards County, December
12," said Mr. Harris, "and not caring to
disqualify my firm in any litigation
that might come up I deemed it proper
for me to resign from office."

W. C. Linden and John R. Storms
before coming to San Antonio to prac-
tice law, were district attorneys.

Ends Winter's Troubles.

To many, winter is a season of trouble.
The frost bitten toes and fingers,
chapped hands and lips, chilblains, cold
sores, red and rough skins, prove this.
But such troubles fly before Bucklen's
Arnica Salve. A trial convinces.

COMPENSATION

Compensation is the term applied to the methods used to secure a uniformity of time in the varying temperatures to which a watch is exposed. The cause of the error is the expansion and contractions of metals.

The South Bend Balance wheel is made of two metals of unequal expansion, so proportioned, one to the other, that the expansion and contraction is neutralized perfectly. A South Bend Watch keeps time in all temperatures, as well as in all positions.

A Handsome Woman

Every woman may not be handsome, but every woman should keep with care the good points nature has given her. No woman need have sallow skin, dull eye, blotchy complexion, who pays proper attention to her health. Where constipation, liver derangements, blood impurities and other irregularities exist, good complexion, bright eyes and sprightly movements cannot exist. Internal derangements reveal themselves sooner or later on the surface. Headache, dark rings around the eyes, sallow skin, a constant tired feeling—mean that the liver and digestive organs are needing help and correction. Chamberlain's Stomach and Liver Tablets give this necessary help. They work in nature's own way. They do not merely flush the bowels but tone up the liver and stomach to fulfill their proper functions. So mild and gentle do they act that one hardly realizes that they have taken medicine. Chamberlain's Tablets can be relied upon to relieve biliousness, indigestion, constipation and dizziness. Sold everywhere. Price 25 cents.

Failed in Health

"My mother died six years ago," writes Miss Ruth Ward, of Jerseyville, Ill., "and left me to care for six children. I had never been strong; and this, with the shock of her death, was too much for me.

"I failed in health. I was tired all the time and did not want to go anywhere, nor care for company. I had the headache all the time and such bearing-down pains. A very dear friend advised me to take Cardui, as it had done her so much good, so I commenced to use it and now I am in good health."

Take CARDUI

The Woman's Tonic

Women's pains are relieved or prevented and women's strength is quickly restored, by Cardui, the woman's tonic. You yourself know best if you need it, or not.

If you do need it, do not delay, but commence to use it at once. Every day of delay only lets you slide further down the hill.

Don't wait, then, but begin to take Cardui today, for its use, no matter how prolonged, cannot harm you and will surely do you good.

The humorist muses that others may be amused!

Some people make a great "Show" of their prejudice!

What amuses some most is another's most serious labor!

Telling the truth is not always pleasant—and this is no lie, either!

No, Bessie; don't laugh at the Comedian's breaks. That may all be in his part!

Wanted, everybody to tell our advertisers that you saw their ad in The Auditorium Herald.

Mr. Henpecko says some men go to the theater to take their wives and some go to enjoy themselves!

Even Old Grouch finds pleasure in going to the show. It's so much satisfaction—and so safe—to curse the villain!

The reason the theater is not more popular with the ladies is the show distracts their attention from the costume of the lady in front!

There was a 'Star'-gazer of fair Honda Who went out the bright heavens for to view;

But, alas, he wound up at the show Where his wife caught him in bald-head row—

And she cooked up for him an awful stew!

The Last Tribute of Loving Friends.

The funeral of Mrs. Esther K. Moeur whose death occurred Sunday afternoon at 3 o'clock, took place from the home of her daughter, Mrs. L. E. Pafford. It has been a long time since a funeral in Tempe has been attended by as many people as was that of Mrs. Moeur.

Her many friends testified to the regard in which she was held by them all, both by their presence and by floral offerings. Grand-mother Moeur has made Tempe her home for a good many years, and was loved and respected by everyone who knew her. The funeral service was participated in by all the ministers of Tempe, each one having a part in the service.

The cortege that followed her remains to their last resting place, at the Double Butte cemetery, was a long one and those composed it, suffered deep grief, at the loss of one so highly regarded by all.—The Arizona Republican.

Esther K. Knight was born in Franklin County, Tennessee, Oct. 2, 1836.

In 1855 she was married to John B. Moeur. To them were born four children, Wm. A., John K., Ben B. and Mattie J., (Mrs. L. Pafford). The Doctor's death occurred in Tempe, Arizona, in May 1904. John K. Moeur died in Del Rio in 1895. She is survived by the three other children, all of whom reside in Tempe, Arizona.

Soon after the Civil War, Doctor Moeur, with his family moved from Tennessee, west and located, in the early seventies, in southern Texas, soon afterward moving to Medina County, where they lived until 1889 they moved to Del Rio where they resided until February 1904, when they broke up house-keeping, on account of the feebleness of the Doctor, they going west, to live with their children.—Del Rio Herald.

Saved From Awful Death.

How an appalling calamity in his family was prevented is told by A. D. McDonald, of Fayetteville, N. C. R. F. D. No. 8. "My sister had consumption," he writes, "she was very thin and pale, had no appetite and seemed to grow weaker every day, as all remedies failed, till Dr. King's New Discovery was tried, and so completely cured her, that she has not been troubled with a cough since. It's the best medicine I ever saw or heard of." For coughs, colds, lagrippe, asthma, croup, hemorrhage—all bronchial troubles, it has no equal, 50c and one dollar. Trial bottle free. Guaranteed by W. H. Windrow.

We saw the meanest man living the other day carrying a jag, while his wife was carrying a baby!

Wants to Help Some One.

For thirty years J. F. Boyer, of Fertile, Mo., needed help and couldn't find it. That's why he wants to help some one now. Suffering so long himself he feels for all distress from Backache, Nervousness, Loss of Appetite, Lassitude and Kidney disorders. He shows that Electric Bitters work wonders for such troubles. "Five bottles," he writes, "wholly cured me and now I am well and hearty." It's also positively guaranteed for Liver Trouble, Dyspepsia, Blood Disorders, Female Complaints and Malaria. Try them. 50c at W. H. Windrow's.

It's well to remember, that after a girl is married, cooking is a greater art than thumping on a piano!

The quicker a cold is gotten rid of the less the danger from pneumonia and other serious diseases. Mr. B. W. L. Hall, of Waverly, Va., says: "I firmly believe Chamberlain's Cough Remedy to be absolutely the best preparation on the market for colds. I have recommended it to my friends and they all agree with me." For sale by all dealers.

A girl might as well retire in a convent, as to have a younger sister grow up prettier!

When you have a cold get a bottle of Chamberlain's Cough Remedy. It will soon fix you up all right and will ward off any tendency toward pneumonia. This remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. Sold by all dealers.

If it were possible to peer into the future, the chief charm of existence would be lost!

When your feet are wet and cold, and your body chilled through and through from exposure, take a big dose of Chamberlain's Cough Remedy, bathe your feet in hot water before going to bed, and you are almost certain to ward off a severe cold. For sale by all dealers.

Probably more men would drink soda water, if it were not for the name of the drink!

J. W. Greer, Greenwood, La., suffered with a severe case of lumbago. "The pains were so intense I was forced to hypodermic injections for relief. These attacks started with a pain in the small of my back which gradually became fairly paralyzing. My attention was attracted to Foley's Kidney Remedy and I am glad to say after using this wonderful medicine I am no longer bothered in any way by my old enemy lumbago." W. H. Windrow.

Black-Harper.

Mr. Osie Harper and Miss Mary Black were quietly married at the home of the Bride, Wednesday morning at ten o'clock. Only immediate relatives and a few intimate friends being present. A wedding breakfast was served after the ceremony, and Mr. Harper and his Bride came here, and took the train for California, where they will spend several weeks. A simple safeguard for Mothers.

Mrs. D. Gilleson, 326 Ingles Ave., Youngstown, Ohio, gained wisdom by experience. "My little girl had a severe cold and coughed almost continuously. My sister recommended Foley's Honey and Tar. The first dose I gave her relieved the inflammation in her throat and after using only one bottle her throat and lungs were entirely free from inflammation. Since then I always keep a bottle of Foley's Honey and Tar in the house. Accept no substitutes. W. H. Windrow.
